TALK ABOUT COLOR

Notes: Freestyle Competitor. CLASS is a 7-year-old 14-hand crowd-stopping sorrel overo mare. A mare like CLASS is almost impossible to find. CLASS is by HELLO SHINER, son of the late NRCHA Leading sire SHINING SPARK, a full brother to JACKS ELECTRIC SPARK (LTE \$85,907) who was an NRHA Finalist in the Open Futurity & Open Derby. Her maternal grandsire is STARLIGHTS STARBRITE who is by GRAYS STARLIGHT, Her maternal grand dam is TALKING GUN who is by COLONELS SMOKINGUN. With that type of exceptional pedigree, it's no surprise that CLASS is in a league of her own. She is the one I know i can count on every single day no matter how long it's been since I have ridden her. She is absolutely bomb proof with traffic, cattle, and children. She has a reining horse handle to her and will work a cow with ease. She is very mild tempered, exceptionally light in the face and ready to go to the show pen, be used outside and would make a great breakaway or heel horse. I have roped outside on her and though she is on the smaller side, she is not afraid to take a jerk. CLASS is just that, a true class act. She does not buck, kick, bite or have any nonsense to her at all. She has a beautiful stop, spin and slow lope to her. She is suitable for anyone and will take care of her rider. If you have any questions please contact Bailey Bryson @ 806-223-5732 and I will be more than happy to answer any questions plus do a live FaceTime of her riding.

Notes: Freestyle Competitor. If you got it, flaunt it, and Sugar sure does! From head to toe, she is striking and just as talented under saddle. Standing right around 15 hands, with a lot of bone, body and a good wither, Sugar is the most unique palomino mare. She just glows. She's the entire package and the kind of horse everyone could use, from novice to professional. Gentle, Classy, BROKE, confident, and mindful. She has a mile-long reputation based on her consistency. If you're looking for your next star in the AQHA ranch riding, ranch versatility or the roping, look no further. This is an all-around family gal, has babysat novice riders in and out of the arena. She is quiet around other horses, great to clip, hauls next to others, and doesn't have a mean bone in her body. She's safe to hop on bareback for a spin. She's a real deal switch-end roping horse, hauled and won on! She is extremely cowy and portrays great talent and style in everything she does. Lopes around with a string on her neck, soft, collected and easy to sit all day. She has a lead change, can plus her turn arounds, and can stop too! She is such a jewel with a gentle and kind heart. She is sound, UTD on worming, dental and farrier. For more info and videos 406-381-2347.

Notes: Freestyle Competitor. Thomas is a beautiful 6-year-old sorrel gelding. He is hands down one of the prettiest horses we have ever offered. He moves with style and class that is second to none. Kelton hauled him to the World Series finale in Las Vegas and rode him from the 14 through the 11. Kelton was 5th high call on him and placed in the 11. He is not only an outstanding head horse, he is great to heel on as well! He maybe one of the best dual-end horses we have ever sold. He's fancy broke and he will ride and slide. Brooke hauled Thomas to the Women's Ranch Rodeo finals and other jackpots this past year. He is so easy and wants to please. Thomas has been used outside extensively. Branding, sorting, gathering and feedyard - he has done it all. Watch and vote for Thomas in the Cowboy Freestyle Competition and the team roping demo. We invite you to our place to try him. A true ranch horse, he was raised on the Double T Ranch in Munday, TX and started, trained and ridden by Ranch Rodeo Top Hand, Bobby Pautsky. This horse is broke, willing and very capable at ranching as well as performing under the bright lights at the ranch rodeos. He ropes either end and has earned his degree in roping outside but has not been behind a barrier. You will find him strong to the horn and a gem at handling cattle. He has speed, stop and ability. Sound and honest with no buck. He rides handy and stays between the reins. He is a ranch horse any cowboy would truly enjoy. If you want to get noticed, have the best one at the branding, and stop traffic, Putt Putt is the one for you. Presented to you by Todd Richardson. Call for more Information: (940) 727-2775.
