RENO RAIDER

Notes: CHS COMPETITOR. "Willis" is a handsome gray son of Boonsmal Cee Lena. I've owned him since he was a 5 year old. He has been hauled all over day working, been used in the branding pen, caught big cows and bulls. I've also used him in ranch rodeos, and have both head and heeled on him out of the box. He has also helped to halter break and pony colts and stays gentle and level headed. He is a very talented all around horse and been my favorite to have around.

Own daughter of Real Bonanz, Equistat leading sire/multiple AQHA point holder in roping, hunter under saddle, western pleasure, and trail. Taught a young rider to ride and has consistently placed at the top of ranch riding and confirmation classes at local shows. Her natural cadence/beautiful extended trot make her a pleasure to ride, in arena or on trails. Perfect for rider looking for talent/versatility to cow or broodmare. Reba will require a yearly Osphos dose to maintain soundness, but remains sound to ride with this maintenance, X-rays, flexions, and vet records available.

Notes: Boon is a big, strong head horse with a proven record! He's been hauled to and won at numerous futurities, then continued his career in rodeos and team ropings. Boon scores great and has all the speed you could want. He's incredibly strong from the horn and can face well, making him perfect for stopping the clock. But Boon isn't just a head horse he's also a reliable ranch horse. He watches cattle closely, has doctored and tied down wild cattle, and even worked ranch rodeos. You won't find many horses that are as athletic, powerful, and fast as Boon!
