Scores, run, rate/face. Very broke. Cowy-can stop hard for heeling/breakaway. Primarily heading-believe he has ability to be a high # roper-can be ridden by lower # ropers as well. Been hauling/getting seasoned in/out of arena. Used at brandings, catching cattle outside/gathered in rough country. Stands good for farrier, hauls great, gets along with the others, doesn't get fresh with time off-has never offered to buck. Super traveler. I will say about anyone can ride this horse. Notes: CHS COMPETITOR-HEELER. Rocker, the ultimate all-around pony that your kids/grandkids need-at just 5 y/o, he's had all the training of a big-time heel horse in a 13.2-hand body. He's a tank-can carry a grown man to heel on, has none of the pony BS. Breakaway, heel, barrels, poles, trail ride. Should last for years in junior rodeo. Loves his job/loves packing the kids around. Stays gentle/sound, ready for his next adventure. Rocker is a partnership pony between 2X World Champion Paul Eaves/his daughter LoElla, meaning he's had dad overseeing the training while 7 y/o LoElla has put the miles on this little superstar. These are the kind of ponies that make kids truly horse crazy for life!

Notes: Jake is a 1.5 years old Border Collie trained by Lincoln Rogers. Used at Rogers Ranch since September rotating/penning cattle. Lincoln works with him in the arena every day to get him as sharp and correct as possible. Lincoln likes a dog that is totally under control/listens to every command when moving cattle. Jake listens/moves cattle slowly and smoothly, and should be easy enough to handle for anyone. Jake has no fear when things get tough, but he also moves in a way that does not make cattle nervous which helps minimize those tough situations. Works best up close to his handler especially if they are horseback. Lincoln says he will get better at long distance gathers with age just as it is with all cowdogs.
